Subject: Tasman Leather Group, LLC Part 70 Minor Modification

Dear Ms. Higgins,

Tasman Leather Group, LLC (Tasman) is submitting the enclosed minor modification to Part 70 Air License A-252-70-C-R/M. This narrative details the changes requested through this minor modification. The modification would reduce maximum permitted emissions of Hazardous Air Pollutants (HAPs) as detailed in Special Condition 29 of the license. Special Condition 29 would be revised to accomplish the following:

- Reduce the facility wide limit of 45.0 tons per year of any one single HAP based on a 12-month rolling total to 9.0 tons per year of any one single HAP based on a 12-month rolling total.
- Reduce the facility wide limit of 55.0 tons per year of total HAPs based on a 12-month rolling total to 24.0 tons per year of total HAPs based on a 12-month rolling total.

This minor modification would not result in any increase in emissions at the facility but instead lower HAP limits to reflect Tasman's operations.

Sincerely,

Richard A. Groat  
General Manager  
Tasman Leather Group, LLC

\*A Responsible Official is defined by 06-096 C.M.R. ch. 100 as:

- A. For a corporation: a president, secretary, treasurer, or vice-president of the corporation in charge of a principal business function, or any other person who performs similar policy or decision-making functions for the corporation, or a duly authorized representative of such person if the representative is responsible for the overall operation of one or more manufacturing, production, or operating facilities applying for or subject to a permit and either:
  - (1) The facilities employ more than 250 persons or have gross annual sales or expenditures exceeding \$25 million (in second quarter 1980 dollars); or
  - (2) The delegation of authority to such representatives is approved in advance by the permitting authority;
- B. For a partnership or sole proprietorship: a general partner or the proprietor, respectively;
- C. For a municipality, State, Federal, or other public agency: Either a principal executive officer or ranking elected official. For the purposes of this part, a principal executive officer of a Federal agency includes the chief executive officer having responsibility for the overall operations of a principal geographic unit of the agency (e.g., a Regional Administrator of EPA).
